FOOD BANK

Christmas Charity

23-25 November, 2018 (Friday-Sunday)

Please support people in need by buying non-perishable foods and handing them to our volunteers at the donation point next to the exit. We will distribute the donated goods to disadvantaged people before the festive season starts. Thank you on behalf of the needy!

What would the needy be happy for?

Non-perishable food items such as cooking oil, sugar, canned fruits and vegetables, biscuits, chocolate, baby food, flour, dry pasta, UHT milk, candies or any other products that do not require cooling.

The Hungarian Food Bank Association non-profit organization seeks and collects food surplus remained in the course of production and marketing and distributes it to people in need free of charge.
